WELCOME TO KEBRITE SOLUTIONS

At Kebrite, we believe in transforming manufacturing operations through innovative software solutions. Our commitment to excellence and customer satisfaction has made us a trusted partner for businesses seeking to optimize their processes, enhance productivity, and drive growth. In this brochure, you'll discover who we are, what we stand for, and how our solutions can benefit your company.

ABOUT US

Founded in 2008. With over 15 years of industry experience, our dedicated team of experts is passionate about delivering the best solutions that address the unique challenges faced by our clients. Our software is designed to streamline operations, improve efficiency, and maximize profitability.

Our mission is to empower manufacturing businesses with a tool that will simplify the way they collect attendance, labor and payroll data.

We are committed to delivering exceptional value to our clients through our technology, our great customer service, and our pursuit of excellence in everything that we do.

 - ✓ Eliminates unnecessary work
 - ✓ And much more!
-

CUSTOMIZATION

At Kebrate, we believe in making things easy for you. Our solution is designed to fit seamlessly with your policies and processes. While we offer ready-made workforce management solutions, we also understand that every business is different. That's why we're here to customize our offerings to meet your unique needs. We're always exploring the latest tech and practices to ensure we're ahead of the curve. So, whether you need a quick fix or a tailored solution, we've got you covered!

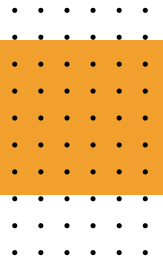

ACCURACY AND EFFICIENCY

Kebrate streamlines the collection of labor information, payroll and time & attendance using barcodes, scanners, or touch screens. By automating these processes, our software eliminates the need for manual data entry and seamlessly integrates with ERPs and payroll systems, ensuring absolute accuracy.

Enjoy easy tracking of shop floor labor, productivity, attendance, and payroll all in one place. Plus, it's user-friendly and saves you money on maintenance and support.

OUR CORE VALUES

Innovation

We are always pushing the boundaries of innovation, developing tools that anticipate and address the needs of the manufacturing industry.

Integrity

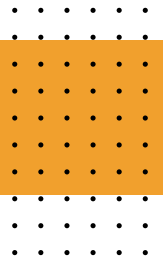

We run our business with the highest standards of integrity, honesty, and transparency, as we know it is key to get the trust and respect of our clients.

Customer Centricity

Our customers are at the heart of everything we do. We are dedicated to understanding their challenges, so we can provide value to them..

OUR CORE VALUES

Collaboration

We believe in the power of collaboration and partnership. We work closely with our clients to make sure we really understand their needs.

Excellence

We are committed to excellence in everything we do. From product development and implementation to customer service and support.

Continuous Improvement

We embrace a culture of continuous improvement, constantly seeking new ways to enhance our products to better serve our clients and drive success.
